Title: Sanctioning Policy

1.0 GUIDING PRINCIPLE

Football New Brunswick (FNB) is the recognized Provincial Sport Organization (PSO) for Tackle, Flag and Touch Football in the Province of New Brunswick. As the PSO, FNB will offer sanction to activities, competitions, and programs of play that meet an objective set of criteria as determined by FNB.

According, the Board of Directors (BoD) of FNB will develop and maintain a set of criteria for sanctioning. Activities, competitions, and programs of play that have been sanctioned by FNB may utilize wording and the FNB logo indicating that the activities, competitions, or a program of play has been sanctioned.

2.0 POLICY STATEMENT

- 2.1 Each member organization may elect to have activities, competitions, and programs of play sanctioned by FNB. The BoD of FNB will determine if the activities, competitions, or program of play has met the criteria to be sanctioned.
- 2.2 It is recognized that FNB is responsible for specific activities, competitions, and programs of play that fall directly under FNB jurisdiction (as opposed to a member organizations jurisdiction). As such said activities, competitions, and programs of play will automatically be sanctioned by FNB.
- 2.3 Any activities, competitions, or program of play involving a member of FNB and a member of another Provincial Sport Association (i.e. Football Nova Scotia) will require said activity, competition, or program of play to be sanctioned by FNB. FNB will not sanction any activity, competition, or program of play involving a member of FNB and a non-member, unless the non-member is a member of another provinces PSO.
- 2.4 Any activities, competitions, or program of play involving a member of FNB and a non-Canadian team or group will require said activity, competition, or program of play to be sanctioned by FNB and by Football Canada.

-
- 2.5 Non-members of FNB may only obtain sanction for the purpose of running a football camp. Any non-member of FNB requesting sanctioning of a football camp whose participants are under the age of 18, must obtain written support from the FNB minor association member in desired jurisdiction. As the minor football governing body for said region, they hold the first right to any FNB sanctioned activities, competitions or program of play.
- 2.5.1 If consent is given, the non-member then must complete the FNB Sanction Request Form and be approved by the FNB BoD.
 - 2.5.2 FNB will only grant sanctioning to non-members if they meet the criteria stated in this policy's procedures and the camp is 14 consecutive days or less.
 - 2.5.3 If granted sanctioning from the FNB BoD all non-members must pay the non-member insurance fee.
- 2.6 FNB reserves the right to sanction any member or non-member event that relates to special community projects, that meet the criteria outlined in this policy and may adjust any fees as the FNB BoD sees appropriate.
