

Football New Brunswick Film Policy

Football New Brunswick (FNB) will provide the Greater Moncton Football Association (GMFA), the Fundy Minor Football Association (FMFA) and Capital Area Minor Football Association (CAMFA) U16 and Varsity Girls (VG) teams with access to the Qwikcuts film platform. The head coach of each team will be responsible for abiding by the points outlined in this policy.

1. The home team is responsible for the filming and uploading of games.
2. Games must be filmed in an appropriate and functional manner.
 - a. Games will be filmed from the wide angle. This angle should have all players on the field within the frame.
 - b. Games will not be filmed in a continuous manner; each play must be its own clip (stop recording in between plays).
 - c. The quality of the film must be good enough that jersey numbers are visible.
3. Games must be uploaded within 48 hours of said game ending. The head coach will be responsible for ensuring that this happens.
4. Teams that fail to meet this standard will not have access to film that week and will be reported to their respective presidents.
